

## Pictorial Mathematics Ordering Information

**Customers may place an order for Pictorial Mathematics in several ways:**

### **Credit card orders.**

*Online* - Place a credit card order directly through our secured, online, Paypal check-out partner. Simply log-on to our website, <http://www.pictorialmath.com>, click on the "Order here" link and follow the instructions. Credit card orders placed online are shipped within 24 hours of approval. Paypal membership is NOT required to place your order.

*By fax or mail.* To place a credit card order by fax or by mail complete and mail/fax the order form on the next page. Make sure to include all the required information and to print legibly. Credit card orders placed by fax or mail are shipped within 48 hours.

### **Payments by check, cashier's check or money orders.**

*By mail.* To place an order with a check, cashier's check or money order, complete the order form in the next page and mail it along with your payment to the address on the order form. *Mail* orders paid by check will take 7-10 days to ship, while mail orders paid by cashier's checks or money orders will ship within 24 hours upon receipt.

### **Purchase orders.**

Schools, districts, schools of education, and other educational institutions may place purchase orders using their official stationary or pre-printed order forms, by mail or by fax. Purchase orders should include: 1) the name and signature of the person authorizing the purchase order, 2) the shipping address, 3) the billing address, 4) the contact person's phone number, 5) the contact person's email address, 6) a purchase order number, and 8) a completed copy of the order form found on the next page. Invoices requesting payment will be sent along with the books within 48 hours of receiving the purchase order. We cannot accept purchase orders though email. Payment is expected within 30 days.
